

Floorwise

Congratulations.....

In the past financial year you recycled **1.131 tons of underlay!**

That's **5,485.4 kg's of Greenhouse Benefits**
(Kg CO2 equals per Kg Recycled)

Which is approximately the emission equivalent of **14 cars a year.**

Thank you for your support in helping us fight pollution.

We look forward to another successful partnership in F'13.

Regards,

Donna Finn
